I am a: _____ I use tools in: __Trade __ Teaching __ Hobby

Collector

Dealer:

Museum Worker:

I would like to consign or donate my collection to the PATINA March Sale

I will show my collection to other members.

The Potomac Antique Tools and Industries Association, Inc. (PATINA) is an educational, 501(C)3 tax-exempt organization for people who have an interest in the tools, crafts or manufacturing processes of the past. Based in the DC area, our 270 + members come from 15 states. Annual dues are \$15.00 and allow members and guests to participate in all events. Our mission is to promote and increase knowledge and understanding of the tools and trades practiced by our ancestors.

Our bimonthly meetings, held at the American Legion Post 270 in McLean, generally start with tailgate sales around 9:00 AM or earlier, followed by a short tool auction around 11:30-noon. The presentation by the guest speaker begins after the auction. Recent speakers included professional furniture makers, restorers, luthiers, period gun and coin manufacturing historians, coopers, and others, who presented some of their pieces and demonstrated working techniques. Speakers are local artisans or national figures such as Roy Underhill of The Woodwright's Shop, or from Museums including Colonial Williamsburg.

In 2022, our meetings will occur Sunday morning in January, May, July, September, & November.

In addition to the bimonthly meetings, PATINA hosts an annual Spring Dealer Sale & Auction in Damascus, MD.

In 2022, the Spring Sale will likely occur on **Saturday, March 12**, with Dealer setup on Friday and Saturday. Early bird admission during setup is \$20. General Admission is FREE and open to the public.

Tailgating is also part of this **major event and extended a half mile in 2019!**
