PATINA Auction Announcement

PATINA will be holding its annual auction on March 14, 2027 in Damascus, MD. The auction takes place on the same day as the dealer tool sale and starts at 1:00 pm. We hold 5 mini-auctions for consignments received after the annual auction. You are invited to consign tools or items such as books, catalogs or artwork that pertain to the subject of tools. We are a 501 c3 organization and we welcome donations as well as consignments.

Auction Lots

If you have multiple items in a lot, they must be grouped together, either by tying them with string, rubber bands, or by putting them in a cardboard box or tray. The purpose of this auction is to present desirable tools in good condition. Ideally, each lot should have a minimum value of $40. We reserve the right to decide which items may be included or grouped in the auction. The auction chairman has final say on how many lots we accept.

The amount consignors will receive for consigned items will be the hammer price less a 15% commission.

Delivery of Auction Items

Please contact a PATINA board member regarding delivery or pick up. We plan on receiving all the consigned items by February 25, 2027 or have scheduled a pick up or delivery by that date.

Final Note

If space and time permit, we will accept 'last-minute' consignments the day of the auction. Be aware, however, that we cannot guarantee that these items are included in the auction.
